We endeavour to update it regularly & welcome any alterations you may have.

Heart of the Bays operates the **Bays Community Centre** and **St Anne's Hall**

We organise a variety of classes, courses and events in the Centre and throughout the Bays to meet the needs of our community.

We assist many other groups in our community.

We are funded by the Hibiscus & Bays Local Board through a contract grant and a range of other funding bodies and sponsors, that support specific projects and events.

If you are interested in being involved in an organisation committed to improving the quality of life in our community, we would love to hear from you.
